WHERE RESPECT MEETS ROMANCE

BRAND BOOK

THE BRAND

An invitation, not an app.

Rio with Love is a private, members-only matchmaking service that connects sincere, accomplished men with genuine, warm-hearted women in Brazil. We exist for the man who has built a life worth sharing and is ready to be valued for it — and we build relationships rooted in respect, devotion, and lasting love. This is curation over chance. Intention over noise.

MISSION

To connect sincere men with genuine women in Brazil and build relationships rooted in mutual respect, devotion, and lasting love — because a serious man deserves to feel appreciated.

VISION

To be the most trusted name in international matchmaking — known not for volume, but for the depth, dignity, and longevity of the love we help create.

POSITIONING & AUDIENCE

For the man ready to be cherished.

We are not a swipe-app and we never will be. Rio with Love is discretion, curation, and intention — pairing men who are ready for something real with women who share their values. Membership is by application, on both sides, so everyone in the room is serious.

WHO WE SERVE

- Accomplished men who provide, show up, and are done being overlooked.
- Men seeking devotion and partnership — not games, not fleeting attention.
- Warm, sincere women in Brazil who value a committed man and lasting family.
- People on both sides who want respect to run in both directions.

THE PROMISE

In Brazil you'll meet women raised on warmth, family, and devotion — women who see a committed man as a gift, not a given. We introduce you to them privately, carefully, with every profile verified and every intention serious.

WORDMARK

USAGE

Maintain clear space equal to the height of the emblem on all sides. The primary lockup appears on black or deep charcoal. Use gold on dark, and dark/green on light. Never stretch, recolor outside the palette, add effects, or place the mark on busy imagery without a scrim.

COLOR PALETTE

Black luxury, Brazilian soul.

Deep black sets the luxury tone; gold signals exclusivity and warmth. The Brazilian flag colors — green, yellow, and blue — appear as vivid, sparing accents that give the brand its heart and origin.
